

NAPERVILLE CLINICAL ASSOCIATES

VISA/MASTERCARD/DISCOVER/AUTHORIZATION FORM

To improve the efficiency of patient payments, we require our patients to leave credit card information and charge authorization. This is similar to policies of most hotels and car rental companies. Your credit card information will be held securely to the standards of federal guidelines that protect against identity theft.

When your insurance company has paid its portion of your bill, your portion (the coinsurance or deductible) will be charged to your credit card. We are not allowed to use an HSA card for these charges. You may put HSA card on file but must also provide a regular credit card. We will bill your card for failed appointments or late cancellations on the date of the appointment. Please be reminded that we are not responsible for any debit card charges if you choose to register a debit card instead of a credit card.

I understand that if my card declines, NAPERVILLE CLINICAL ASSOCIATES may put my VISA, MASTERCARD OR DISCOVER through on another day when funds become available. This policy will in no way compromise my ability to dispute a charge or question my insurance company's determination of payment. Initial: _____
